

Extraordinary

The very best health cover for **life saving** service workers, volunteers, their families and close relations

Backed by **Police Health** —
providing health insurance to
Australian police forces since 1935

COVER LIKE NO OTHER

The Best Emergency Services Health is exceptional health cover for people like you who are serving our communities.

Who can join? If you **work** or **volunteer** for an Australian **life saving** service, you can move your health insurance cover to us. We cover singles, couples, single parent families and families – and we can also accept your close relations.

With no excesses, co-payments or exclusions on hospital cover, generous extra benefits with a Rollover Benefit unique to the Police Health Group, we're confident that insurance **delivers** the **very best** to the emergency services community in standard of service and **exceptional value for money** - for extras cover, hospital, or both.

Our cover is...

Simple

Choose between extras, or hospital, or combined cover

Quality

Exceptional cover, real value for lifelong peace of mind

Different

You are our priority – we don't have investors or overseas owners

Moving is easy...

- We'll do the paperwork and contact your insurer
- Waiting periods already served switch with you*
- 30 day cooling off period to make sure you're happy*
